

Support EMpower with your Air Miles Donation

EMpower connects the emerging markets community with local organizations providing tools and resources to enable at-risk young people to lead healthy and productive lives.

As we enter our 10th year, EMpower staff has started to plan numerous visits to grantee partners across the globe. This year, we hope to visit more grantees than ever before. However, we need your help to do it. By donating air miles, you can help EMpower reduce travel expenses, leaving more resources for those who need them most: marginalized youth seeking better opportunities to lead a productive life. To donate, visit one of the websites below.

Even if your miles are expiring very soon, we can use them right away!
